Dear Parents,

Big Country Elementary will be having our Bike Rodeo on March 28th. During the Bike Rodeo, each bicycle will be checked for safety, and the students will be able to ride their bike through safety and maneuvering stations. The equipment that will be checked is not required to participate in the Bike Rodeo but are highly encouraged and will add to your child's overall score. Family members may share their bikes, if needed. Children are scored on a combination of safety equipment and maneuvering skills. All bicycles must have brakes in order to be used for the Bike Rodeo. Big Country P.T.A. will be providing ribbons and medals.

Please make arrangements to have your child's bike at the school by 8:10 on the 28th so that they can be locked in the gym. Students cannot place their bike on the bike rack in front of the school if they are planning on participating in Bike Rodeo. Many bikes look alike. To avoid confusion, please have your child's name on his or her bicycle. Parents must make arrangements to pick up their child's bicycle from the campus by 3:30 on Bike Rodeo day. If your child chooses to participate in the Bike Rodeo, please return the bottom of this permission slip to Coach Mathis by March 20th. I need to know the total number of participants by this date in order to order to solicit enough volunteers to make the event run smoothly as well as being able to order the proper quantity of ribbons. No permission slips will be accepted after March 20th.

Thank You,

Coach Mathis
